

El Paraiso Golf Club, Estepona

El Paraiso Golf is situated off the N340 motorway, between San Pedro de Alcantara and Estepona. Opened in 1973 El Paraiso has undergone many improvements and refinements over the years. It is an extremely beautiful course, both in its location and its layout, with mature groves of exotic plants and trees.

Set in a spectacular valley which rolls from the foothills of the Sierra Bermeja mountains towards the sea. There are several streams meandering throughout the course as well as two large lakes, which require a good drive to make safe landings on the greens.

The 6th is a dogleg left Par 5, with bunkers either side and one of the lakes to the right. The tiered green requires an accurate approach. Play is suitable for all abilities and this 18 hole Par 72 course is 6131m long but offers a very pleasant manageable walk. A useful feature is the small bushes to mark the 200m, 150m and 100m.

Without doubt El Paraiso Golf Club is a well designed course that golfers will never tire of playing and will look forward to returning for another chance to conquer!

Open 7 days a week, the club also offers over 300m² of practice grounds, 20 all weather mats, 10 covered mats and 15 targets on the driving range. There are excellent chipping and putting greens and practice bunkers.

After your round you can relax and enjoy a refreshing drink or a snack on the clubhouse terrace. If you have worked up an appetite, you can try one of the tasty dishes from the restaurant.
