

Estepona Golf

Estepona Golf is a popular family run course, privately owned and renowned as being the friendliest golf course on the Costa. This 18 hole, par 70, 6001m course is 2km inland and operates a pay and play system, which ensures they offer golfers of all levels a pleasantly challenging game while on holiday.

The course, which is dramatically flanked by the Sierra Bermeja Mountains, maintains the natural contours of its surrounds and makes clever use of the many mature, native trees within its boundaries.

The most spectacular hole on the course is the third; known as "The Ski Slope" which is possibly the longest hole on the Costa Del Sol...standing at an impressive 568m long.

Estepona Golf has earned a reputation as a well presented, fair golf course with ample fairways and tees, as well as greens which are the envy of most other courses in southern Spain. They also enjoy a reputation for the outstanding level of client service!

The spacious Estepona Golf clubhouse overlooks the 18th hole and not only enjoys seaviews, but also offers excellent cuisine, with a daily menu and special Sunday lunch menu. Drinks are available on the course and regular barbeques are put on during the summer months.

There is a very well stocked Pro Shop within the clubhouse, offering top brand name equipment and attire at competitive prices and Estepona Golf is a recognised Ping fitting centre.

Facilities at this popular club also include driving range, practice green, lessons, buggy and club hire and changing rooms with lockers.

Good news for the credit crunch this year is that Estepona Golf have vowed never to be beaten on price/value for money.
