

Santa Maria

This Elite par 70 course of 18 holes opened in 1996. It is situated in the heart of the beautiful countryside of Elviria, just 10km from Marbella.

The lie of the land, through two valleys, dictated that the densely wooded course followed the natural windings of the river and the hazards in the Santa Maria course are mainly formed from the lakes, streams and natural vegetation on the grounds. At 5586m in length, with many elevated, lush fairways, well placed bunkers, lakes and a waterfall, some tiered greens and a superb view of the Mediterranean, the course starts along the flatter valley and winds up towards the mountains which lie behind it.

The variable terrain means that the first nine holes are shorter and more complicated and the second longer and more relaxing.

Use of buggies, which can be hired along with clubs and trolleys and advance booking are both highly recommended for the popular Santa Maria course and you are also advised to only wear soft spikes and to bring proof of your handicap (28/36).

The large 19th century manor house style clubhouse and its surrounding grounds are renowned for the close attention given to the striking features which have quite an English air about them. Refreshments and meals are served at the restaurant.

Other on-site facilities include two practice courses, a putting green, as well as tennis courts, a swimming pool, lawn bowls and an excellent Pro Shop where you will find the staff extremely friendly and helpful.

Green Fees
