

Los Naranjos Golf Club, Nueva Andalucia

Los Naranjos is considered one of Europe's finest designs and is indeed a true Championship course.

Beautifully situated just 7km south of Marbella in the Golf Valley, this 18 hole, par 72 course has two distinctly different halves, with the first 9 holes set around rolling hills and surrounded by luxury real estate.

Many of the first holes were completely overhauled in 1999 and will challenge all level of players with elevated greens, dog legs and huge bunkers. The second half opens out flatter amongst the olive groves from which the course got its name.

The 10th hole is a long par 4, with a sloped green from right to left after a tricky narrow entrance. The 12th is closely guarded by huge bunkers and a lake and the 18th is a long par 5 of 525m where the player has to cross the lakes before heading home to the clubhouse. Ground keeping is a priority and a new computerized irrigation system keeps the course well booked all year around.

The club requires players to present an official handicap 27 /35, the use of soft spikes only and the stipulation that rounds on the 18 holes must not exceed 4 hrs 15 minutes. The Los Naranjos Golf Club also offers a good sized driving range, and putting and chipping greens close to the clubhouse.

The clubhouse, in the Andulucian style, is renowned for its friendly ambience and the regular appearance of Sean Connery! It has an excellent Pro Shop with all top brand golfing and sporting goods for sale as well as clubs, caddies and buggies available for rent.

The Clubhouse is also home to a very tasteful restaurant, where food is available all day. The Grand Open Sunday Buffet is a well known event all along the Costa and is worth the experience - fantastic food enjoyed with an idyllic view of the coastline.
